revision and deletion:**

---

## Administrative history / Biographical sketch

---

### Note

Special census ordered by the Canadian Government to track the high rates of population growth in the prairie provinces (Manitoba and the two newly created provinces of Saskatchewan and Alberta). This endeavour continued from 1906 to 1956, at which time the Census of the Northwest provinces became part of the Canada-wide census

### Custodial history

Carberry Plains Archives purchased these microfilms from Library and Archives Canada

---

## Scope and content

---

Fonds consist of 5 rolls of microfilm - T18353, T18354, T18355, T18356 and T18357

---

## Notes

---

### Title notes

### Alternative form available

Not available in any other formats as the original census records were destroyed after microfilming in 1955.
